

HOW TO

CREATE A COMPETITIVE TEAM

1

Establish Team Roster

- Host a Tryout
OR
- Bring together your previous recreational team

3

Order Team Equipment

- Equipment Needed:
- Catcher's Gear
 - Bats
 - Batting Helmets
 - Practice Balls
 - Gloves
 - Any additional supplies you would like for practice

5

Determine Leagues/Tournaments

- This determines costs per player
- SIYBS offers a Fall and Spring Competitive League
- SIYBS offers 4 local tournaments you could chose to play in
- There are several other local and statewide tournaments that you can explore as additional options

7

Register for League and Tournaments

2

Order Uniforms

- Determine what you would like your uniforms to look like and place order
- Possible Vendors:*
- BSN Sports
 - Big League Locker

4

Reserve Practice Field and/or Facility

- Contact schools and/or Parks and Rec directly to reserve a practice field
- There are also indoor facilities you can book to host winter practices:
 - Gas House Gym
 - Athletic Edge
 - HumNow

6

Set Per Player Price and Collect Fees

- Based on leagues and tournaments you will be playing in, determine the per player price and collect those fees from parents
